We tackled this today for Big Sweep. We, is Marie Justen from Spooner's Creek, Louis Cobb from Cary and Elmer Eddy from Swansboro.

We got 8 bags of trash and two large styrofoam coolers. We did this in less than

two hours. We never moved our boats. All this came from one spot and there is still

more there. We also had to leave all C&D material and tires.

The trash on this island in Morehead City harbor is above a beyond our capabilities. We will not return to it again unless a group of fifty or more are committed to cleaning it up. We will be glad to join them then. Elmer
